ABOUT ME

I am a seasoned interior designer and 3D visualizer with five years of diverse experience, excelling not only in conceptualizing and implementing interior designs but also as a proficient autocad draftsman. My skills extend to Production coordination, where I've successfully integrated my design expertise with project management. Throughout my career, I've demonstrated a keen eye for detail, a passion for innovative design solutions, and the ability to seamlessly coordinate various aspects of projects. My multifaceted experience equips me to bring creativity, technical proficiency, and organizational acumen to any design endeavour.
